## ROOSTER LASER EUROPA CUP AND BYC CUP JUNIOR RANKING REGATTA

**BALATONFÜRED, 8-10 SEPTEMBER 2017**

Organizing Authority: Balatonfüredi Yacht Club

### SUPPORT BOAT USAGE ON LAKE BALATON

Lake Balaton is a natural preservation area. The National Transport Authority has therefore imposed strict regulations on engine-powered boats, which must be adhered to. Only support boats that completed registration will receive a permit to go on the water. Therefore all support boats, without a valid license for Lake Balaton, shall be registered at the Balatonfüredi Yacht Club against a 36,000 HUF registration fee. The registration is compulsory. The National Transport Authority will inspect the support boats, its documents and the local water police will regularly check whether the registration has indeed been obtained. The permit may be withdrawn at any time if a support boat driver does not comply with local regulations and causes unnecessary annoyance (excess speeding, using the boat outside training hours or races, etc.)

Each support boat shall clearly display an identification flag supplied by the Organizing Authority. No other individual support boats shall be used. A deposit of 10 EUR (or 3,000 HUF) will be required for the identification flag. The deposit shall be paid when picking up the identification flag at registration. On the last day, after giving back the identification flag at the Race Office, the deposit will be paid back.

**To obtain the permit, the following data of the support boat shall be sent to [byc@byc.hu](mailto:byc@byc.hu) until 5 September 2017:**

1. Driver name
2. Boat type
3. Local registration number (if applicable)
