## 13. THE START

13.1 The starting line is between staffs displaying orange flags on the starting marks.

13.2 To alert boats that a race or sequence of races will begin soon, the orange starting line flag will be displayed with one sound at least five minutes before a warning signal is made.

- 13.3 **[DP]** Boats whose warning signal has not been made shall avoid the starting area during the starting sequence for other races. The starting area is defined as the area 50 meters from the starting line in all directions.
- 13.4 A boat that does not start within four minutes after her starting signal will be scored Did Not Start without a hearing. This changes RRS A5.1 and A5.2.

#### 14. CHANGE OF THE NEXT LEG OF THE COURSE

- the last boat in that class (fleet) finishes the last race of the day, or
  - the display of "AP over A" or "N over A".
- However, when "AP over A" is displayed ashore, the protest time limit will be 60 minutes after displaying the signal. Where more of the above cases apply, the protest time limit will be whichever the latest is.
- 17.2 Hearing request forms are available at the online event platform. Hearing requests shall be delivered there within the appropriate time limit.
- 17.3 Notices will be posted as soon as possible after the protest time limit to inform athletes of hearings in which they are parties or named as witnesses. Hearings will be held in the jury rooms near the race office.

  - within 100 metres of any mark of the course while boats are in the vicinity of that mark, and
  - within 100 metres of the finishing line while boats are finishing.
- 22.2 Support person vessels shall proceed around the racing area in such a way to avoid any wash that will impact boats racing. Boats that are motoring above five knots shall remain at least 150 metres from any boat racing.
- 22.3 The restrictions in SI 22.1 and 22.2 shall not apply for a support person vessel giving help to a boat or athlete in danger.
- 22.4 The race committee will use the following VHF radio channels for the purpose of communication under RRS 37.

## 23. TRASH DISPOSAL

- 23.1 Trash may be placed aboard official or support person vessels.

## ADDENDUM 1 – QUALIFYING SERIES AND FINAL SERIES

### 1. QUALIFYING SERIES

- 1.1 For the qualifying series boats will be assigned to fleets of, as near as possible, equal size and ability.
- 1.2 Initial assignments will be posted by 8:00 on 17 June 2022 based on the national ranking list available at [www.optimist.hu](http://www.optimist.hu) at the start of registration. Boats not included in the national ranking list will be assigned by a seeding committee appointed by the organizing authority.
- 1.3 In the qualifying series, when at least two races have been completed boats will be reassigned to fleets after each day of racing. If all fleets have completed the same number of races, boats will be reassigned on the basis of their ranks in the series. If all fleets have not completed the same number of races, the series scores for reassignment will be calculated for those races, numbered in order of completion, completed by all fleets.
- 1.4 Reassignments will be made as follows:

Rank in Series	Fleet Assignment
1st	yellow
2nd	blue
3rd	blue
4th	yellow
and so on...	

- 1.5 Reassignments will be based on the ranking available at 21:00 that day regardless of hearing requests not yet decided.
- 1.6 If all fleets have not completed the same number of races by the end of a day, the fleets with fewer races will continue racing the following day until all fleets have completed the same number of races. All boats will thereafter race in the new fleets.
- 1.7 If at the end of the qualifying series a qualifying series fleet has completed more races than the other, any extra races will be abandoned so that all boats in the qualifying series have the same number of race scores.

### 2. FINAL SERIES

- 2.1 When at least four races have been completed in the qualifying series, boats will be assigned to final series fleets on the basis of their ranks in the qualifying series. There will be the same number of fleets in the final series as there were in the qualifying series.
- 2.2 The final series fleets will be, as nearly as possible, of equal size but so that the silver fleet is not larger than the gold fleet. Boats with the best qualifying series ranks will race all final series races in the gold fleet; other boats will race in the silver fleet.
- 2.3 After boats have been assigned to final series fleets, any recalculation of qualifying series ranking will not affect the assignments except that a redress decision may promote a boat to the gold fleet.

2.4 Different final series fleets need not have completed the same number of final races. The boats in the gold fleet will be ranked higher, except for a boat disqualified from a final series race under RRS 69 or World Sailing Regulations 21 or 38 (see RRS 6).
